Tutorial

The **Oryza Classifieds** platform is a for-fee service available for our site's registered users. In **Oryza Classifieds** platform, registered users can buy and/or sell new and/or old machinery.

All Oryza.com visitors, registered or non-registered, can view the classified listings in Oryza Classified. The product listings are viewable in a rotating queue both on the Oryza Classified page (<http://oryza.com/classifieds>) and the Oryza.com homepage (www.oryza.com).

Each Oryza Classified listing costs \$50 USD and runs for one continuous year. Once a user creates and pays for a listing, it will be published by the Oryza team.

Below are the simple steps to 'Add' new list into the **Oryza Rice Directory**. Please contact us with any questions or concerns.

Step 1

On www.Oryza.com, click the 'Classifieds' link on top menu bar.

Step 2

Click 'Add New' to create a new classified listing.

Step 4

After previewing the entry, the user can see the trimmed version of the post. The user can edit the listing before publication (see next page).

✓ The trimmed version of your post shows what your post looks like when promoted to the main page or when exported for syndication. You can insert the delimiter "<!--break-->" (without the quotes) to fine-tune where your post gets split.
