

Oryza Rice Directory

Tutorial

The **Oryza Rice Directory** is a for-fee marketing service available for registered users. In the **Oryza Rice Directory**, registered users can list their company's information including: company name, industry sector, company logo image, company address, company website, company contact, and company description.

*All Oryza.com visitors, registered or non-registered, can view the paid listings in a rotating queue both on the **Oryza Rice Directory page** (<http://oryza.com/rice-directory>) and the **Oryza.com homepage** (www.oryza.com).*

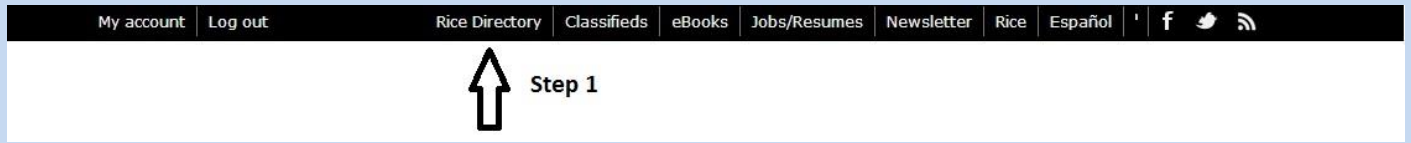

Each Oryza Rice Directory listing costs \$50 USD and runs for one continuous year.

Once a user creates and pays for a listing, it will be published by the Oryza team.

In the remaining pages are step by step directions for how to create your own **Oryza Rice Directory** listing. Please contact us with any questions or concerns.
